A Message From Our Founder...

Every member of our aspiring youth deserves an equal opportunity to accomplish their dreams and goals. Every member of our aspiring youth deserves an equal opportunity to be exposed to the limitless possibilities of life. Since 2015, we have illustrated leadership by making a difference in the lives of our youth throughout SC, NC, & GA.

Our foundational pillars derive from our three pillars: education, enhancement, and exposure as our goal is to reach every young leader aged 14 - 18 through in-depth mentorship and leadership development. Our goal is to provide a platform of support in partnership with parents, community, and educational institutions developing an proactive ecosystem that our youth can benefit from en route to their next phase in life.

Successteam is a 501(c) 3 nonprofit organization specializing in Educational Youth Development which means our income is impact and there's no greater feeling than to build a relationship with a member our youth and see their maturation overtime. Whether it's through our Successteam Leadership Academy for Young Men, Successteam Youth Council, Back to School Bookbag Drive, or Night of Champions Community Award Gala; every initiative has the sole purpose of bridging the gap between our youth's curiosity and realization.

2022 is our 7th year of active existence and we plan to operate just as we have throughout the previous years; with implementation in mind, productive energy, and caring hearts.

Every child deserves an opportunity...we're just here to provide one.
